

## Lakeview Church Lawn Mowing Schedule - 2018

Thank you for helping keep our church lawn mowed this summer. The dates listed are the Mondays of the week we ask you to mow the lawn. The church's riding lawn mower is available and can mow the lawn quickly, if you wish to use it. It is parked in the building behind the parsonage. The church has a few teenagers that might mow the lawn for someone who wishes to share in this work and would pay them for this service. You will have to arrange for this. If you are not able to mow on your scheduled week, please arrange for a substitute. This schedule is posted at [lakeviewunitedmethodistchurch.net](http://lakeviewunitedmethodistchurch.net) (under the Stewardship link). Thank you for your service.
