## ADMINISTRATIVE COUNCIL –CONT'D

- If anyone is planning to take a tree down, and will be renting the "stump remover" – please contact Dave Koontz (he will assist in the process if he could use the "remover" for awhile to work on removing a little more of a stump at the parsonage).
- The church owns property between the railroad, Parkview Drive and Lower Falls Road, with the Fire Department owning the portion nearest to Parkview Drive. There has been conversation with the Fire Department regarding joining these two pieces of property, selling it and the Church and Fire Department splitting the proceeds. Motion (Dave K./Don M.) carried to continue dialog and negotiations with the Fire Department.
- Dick Thompson has initiated purchasing and installing new thermostats in the church/education wing. This is to help conserve energy and to lower our heating/air conditioning costs. Thanks were expressed for Dick's initiative in doing this.
- The Fry Family has donated a large air conditioner to the church and plans are to probably replace the one in the kitchen which is not adequate at the present time.

**Worship** - The next Worship meeting will be September 14, 6 pm at the church.

**Pastor's Report** - A Revival is scheduled for October 3, 4 and 5 – 7 pm at our church. The Rev Tex Frye will preach, and we will have special music each evening.

**Miscellaneous** - There was much discussion regarding how to go about integrating contemporary music into our church services. Jason shared ideas about the use of the screen and projector which is currently being used at service. He listed the items which the church currently owns and those which are being loaned to the church. After input from those in attendance, it was decided that the Worship Committee will be responsible for

obtaining costs, placement recommendations, etc. for presentation at our next meeting.

Pastor Richie closed the meeting with prayer.

### Vacation Bible School Thank You

I would like to say thank you to all who helped with Vacation Bible School this year. We had nearly 40 children in attendance. Events like this could never happen without

the strength of God's hands and the wonderful people at Lakeview. Our theme was "Adventures in Missions" and the children learned about what it meant to be a missionary and the important work they do in different countries around world. On the last day, the children saw what they could do in their own country by putting together 20 Kid Kits filled with donated items to be delivered to Sojourners. All in all, it was a very nice week. Experiencing everyone's generosity with their time and talents to accomplish this week was very humbling. Everyone was so willing to help in some capacity and for that I felt very blessed. God is great indeed! -Karen Ekstrom
