

Kroger Community Rewards Program

Kroger has a Community Rewards program where they will provide funds to local churches, schools, and other local community organizations. You just have to link your Kroger Plus card with your organization (Lakeview United Methodist Church). Then, every time you use your Kroger Plus card you accumulate points that are used to determine the amount of funds that Kroger will donate to your organization. The amount of funds provided depends on the number of participants and the number of points accumulated.

9) How much can an organization earn?

Kroger will pay up to \$875,000 on a quarterly basis to participating organizations based on their percentage of spending as it relates to the total spending of all participating Kroger Community Reward organizations. Kroger limits its quarterly contributions to a maximum contribution of \$875,000 to be distributed among all participating eligible organizations. Kroger limits a participating organization's earned rewards to a maximum of \$50,000 quarterly. Kroger limits a participating household's earned contribution to a maximum of \$300 quarterly. The minimum payout is \$25.00 per organization. In the event that an organization earns less than \$25.00 in a quarter, Kroger will hold the amount until the next quarter that the reward exceeds \$25.00 or until the end of the program term, whichever comes first. Your quarterly rewards check will be mailed within 30 days after the close of each quarterly cycle.

Below are the instructions on how to create an online Kroger account and link your Kroger Plus Card to Lakeview United Methodist Church. Please participate if you can. If you have problems creating an account or enrolling, please let me know.

This is completely separate and has no impact on your fuel points.

Thanks.
