

2011  
**Lawn Mowing Schedule for 2010**

If you wish to use the Church's riding mower you can. It is kept in the building located under the parsonage deck. Richie has the combination and can demonstrate how to use it. Thanks. I have listed the date of Sunday of the week you should mow the lawn. Any day that week will be fine - it's at your discretion. Thanks for your help. If you need to switch around for any reason let me know and I'll find a sub for you.
