## WELLNESS COMMITTEE

The Wellness Committee is having a Chef Salad sale on June 7, 2009. They are working to raise funds to share with the Jericho House and the Heart and Hand House. Both of these charitable institutions are in need of funds to help those less fortunate than ourselves.

We invite you to purchase a salad. Signup sheets are being circulated for you to add your name to the list for one. They will cost \$6.00 each and they will be a large salad with dressing and a hunk of bread to go with the salad. Again we ask for your support.

For those who are not aware this committee has (with your help) purchased the church's AED (Automated External Defibrillator), sponsored a training session to teach its use, sponsored an Adults Night Out to outline the necessity of Advanced Directives and Medical Powers of Attorney, sponsored an Appreciation Dinner for the Lakewood Volunteer Fire Department, arranged for a telephone in our exercise room (Be sure to thank Rodney Holley when you see him--he provided the phone and the expertise to install it), sponsored a CPR class and is on the lookout for other service projects to advance wellness in our church. Should you know of a need or a project that warrants this committee's attention, please contact: Linda Martin, Carol Davis, Janet Pennington, Sherry Knapp, Bob Carpenter or Norma Newbrough. God is good!

## ADMINISTRATIVE COUNCIL

Chairperson, Ron Colby called the meeting to order and Wayne Kersey opened the meeting with a devotion and prayer. Those present were Ron & Marilyn Colby, Fred McKinney, Jason & Robin Black, Wayne Kersey, Karen Ekstrom, and Don & Marilyn Morton. Motion (Don/Robin) to accept the April minutes as printed.

**Old Business** – It has been brought to our attention that Jericho House needs a refrigerator and we have one in the church basement which is not being used. After discussion, motion (Fred/Jason) passed to give this refrigerator to Jericho House. Dave Koontz will handle the move.

**Treasurer's Report** – The report was accepted (Don/Fred) as printed. Total income from our Spring Yard Sale was \$3021.41. Because of low interest on our Building Fund monies, we will ask the Finance Committee to revisit the option of making extra payments on our loan.

**Family Ministries/Outreach** – Vacation Bible School will be June 28-July 2

We are securing volunteers for Bible School, and a meeting is planned later this month.

Plans are to do "the parking routine" at the Mary Ingles Trail weekend in September.

On June 13<sup>th</sup> there will be a fishing tournament at the lake and plans are to offer free coffee and drinks for the kids and also have the church open for bathroom stops.

**PS/PRC** – The committee has completed the annual Pastor evaluation – the write up will be sent in by the end of May, as requested by the District.

**Trustees** – Trustees are pleased to announce that with our new sign project monies, we were able to buy a couple bushes to be planted underneath. Thanks to Dave & Barbara Koontz for accomplishing this.

The trustees have been working on getting quotes on removing the Sycamore trees from the parsonage yard. Quotes range from \$3800 (for trimming) to \$5800 (for removal).

**Worship** – The committee met prior to this meeting and discussed the following:

- (1) A supplement to our hymnals
- (2) Using a new doxology in the Fall
- (3) A joint worship time with St. Luke in August where combined choirs would sing.
- (4) Perhaps a joint sing-along at St. Luke because last year was at Lakeview
- (5) Next meeting is scheduled for August 11.

**Miscellaneous** - Ron suggested we pick a date for our fall yard sale. Discussion centered on October 3 and he will check to see if this works with majority of workers.

The June Administrative Council Meeting will be held June 9, 2009, 7 pm.

The meeting was closed with prayer by Jason Black.

### CHURCH CALENDAR

Fran Casto has been for some time the contact person for scheduling events at the church; i.e., keeping the church calendar. Since her illness, there has been a reluctance to call her thinking it would be an intrusion or inconvenience. Early on that may have been true so we are thankful for the considerations extended to her. She has now improved to the point where she is able to take care of the scheduling and she would like to continue doing so. Therefore, if you want to schedule the use of the church facilities for an event, please do not hesitate to call our number (304-727-9570). We will put it on the calendar we keep here at the house and I will be sure it gets posted on the church calendar in the copy room. The PSPR Committee has discussed the matter and has agreed to this approach.
