PLANS FOR NEW SHINGLES ON OUR PARSONAGE ROOF

The trustees are planning to replace the roof shingles on the parsonage roof on Saturday, October 16. The old roof is 25 years old (has it really been that long ago since we built the parsonage?). The job is labor intensive but with lots of help we can accomplish this task ourselves. Estimates by professional contractors suggest that we will save at least \$2000 if we tackle the roof rather than contract it.

Please, if you can give some time on that Saturday, please do so. No technical knowledge is required, just helping with the labor. You'll need shoes that are comfortable and work gloves. All the tools and everything else needed will be there for you. We'll begin as people arrive, and if you come later in the morning or even in the afternoon, you will be welcome. (Pastor Richie says he will have the radio tuned to the football game of your choice as long as your choice is Marshall University.) Thanks.

Dave Koontz, Trustee

ADMINISTRATIVE COUNCIL

The meeting was called to order by Chairperson Ron Colby, and Norma Newbrough opened the meeting with a reading and prayer. Those present were Ron & Marilyn Colby, Pastor Richie & Leslie, Robin & Jason Black, Dave Koontz, Karen Kersey, Franki Noble, Bud & Norma Newbrough, Karen Ekstrom, and Don & Marilyn Morton.

After reviewing the minutes, a motion (Bud/Don) carried to accept the August minutes as printed. Dave Koontz asked to have it noted that regarding the starting time of 6 am (as listed in the August minutes) for the work on re-roofing the parsonage, we are asking people to come for whatever time they have available.

Treasurer's Report - Motion (Don/Bud) carried to accept the August report. A Conference Apportionment payment was made this month, leaving us one payment behind for the year.

A check for \$250 was received for Boy Scout troop 126, the donor was advised that troop 126 no longer exists and these funds will be given to the troop currently at Riverlawn.

Finance - Noted that we made an extra building payment to BB&T this month. Also monies that we borrowed from our money market account should be paid in full at the end of the year.

Christian Education - Karen Ekstrom reported that Children's Church and Nursery schedules are filled through the end of December. As of now Family Ministries is handling Sunday School, but hope that nominations will fill this vacancy.

Family Ministries - The tea for the women of the church on Saturday, Sept. 11 went well - thanks to Chairperson Marilyn Morton and co-chairs Ruth Anderson and Linda Thompson. Thirty women attended.

Connie Campbell delivered a message and all enjoyed a time of fellowship. This was an extension of our church into the community as several from the community attended.

Our next program will be Sunday, December 12th when we will have a Christmas Play (starring the children of the church plus some adults), and a dinner the same date.

Family Ministries will cover child care for the Revival for those six and under.

Bud Newbrough is spearheading Adults Nite Out again this year. First program will be Sunday evening, October 17th. Program will be about India and more information will follow.

Outreach - Plans are for Outreach to have a meeting this month. They are currently working on publicity for our yard sale and for the Revival.

Nurture - Nurture had a dinner for the Gipe family following Dave Gipe's funeral. Nurture will provide refreshments for the Revival on Sunday, October 3. Plans are underway for the community Thanksgiving Dinner on Nov. 21.

Parsonage - Two items need to be attended to at the parsonage - painting the hall and replacing the rug with tile in the lower level hall near the garage door. Dave Ashley will handle these items.

PS/PRC - Chong Coughlin has assumed the position of Music Director at our church starting in September.

The Lakeview Committee will meet on Monday, October 11th at 6 pm, and then 7 pm the Parish PS/PRC will meet, to recommend salaries for 2011.

Trustees - The church owns property between the railroad, Parkview Drive and Lower Falls Road, with the Fire Department owning the portion nearest to Parkview Drive. There has been conversation with the Fire Department

ADMINISTRATIVE COUNCIL –CONT'D

regarding joining these two pieces of property, and selling it. The Fire Department has agreed and proceeds will be split.

- We will put a new roof on the parsonage on Saturday, October 16. Everyone is invited to show up when they can, to help with this venture.
- Thanks to Dick Thompson for purchasing and installing new thermostats in the church/education wing. We have realized some lower bills since this installation.
- A larger air conditioner has been installed in the kitchen (thanks to the Fry Family).

Worship - Lakeview will have a Revival October 3 (6 pm), October 4 (7 pm) and October 5 (7 pm). There will be a love offering taken each evening to pay the musicians. Worship requests that we pay our visiting preacher \$500.

The committee discussed at length the use of screens to enhance our services. The suggestion was made to consider large flat-screen monitors rather than a pull down screen and projector. Jason Black worked up a proposal and shared with the Worship Committee. A motion was made to present this proposal to the Administrative Council.

Jason presented the proposal. There was much discussion and then a motion (Marilyn C./Robin) passed that the Administrative Council accept the concept of Jason's proposal.

A second motion (Marilyn C./Don M.) passed to ask the Finance Committee to investigate funding options for this proposal.

Pastor's Report - Charge Conference will be November 16th at St. Andrew Church in St. Albans. Some committees have been given reports to be filled out and returned to the pastor.

Pastor Richie closed the meeting with prayer.

NOTES FROM THE UNKNOWN REPORTER

Here we are in the swing of things for fall. It is time for Nominations (Committee Meeting, September 20), Charge Conference (November 16 at Saint Andrew's UMC), Bible Study (Every Wednesday at 7:00 pm) and for the first time in many years, a Revival! Bible Study is being held at Lakeview in September and the study is the book of Job. Check with Pastor Richie for the chapter and come join with us on Wednesday evenings at 7:00 pm.

Lakeview's REVIVAL is scheduled for October 3, 4, 5, 2010. It begins on October 3, which is World Communion Sunday. Pastor Richie has invited **Pastor Tex Frye**, of Madison, who is **Leslie's** father, to be our speaker and **Beth Rollins** of Point Pleasant to be our musician for this event. Sunday evening, October 3, will feature a Communion service and it will begin at 6:00pm. This service will be followed by a fellowship in the Multipurpose Room. Monday and Tuesday evenings will begin at 7:00 pm. You are encouraged to bring your children to participate in these services. They should end in about an hour so you will still be home in time to get the children ready for school in the morning. Pastor Richie is excited about the Revival and hopes you will make time in your schedule to attend. Our friends from Saint Luke have been invited to share this Revival with us.

We, at Lakeview, welcome **Chong Coughlin** as our new Music Director. We know you will make her feel at home. How grateful we are that there has been a seamless transition from Julie to Chong. We thank and praise God for Chong!

News from the Worship Committee

The Administrative Council, with the recommendation of the Worship Committee, is exploring ways to provide Contemporary Music for the Worship Service in a more aesthetically pleasing way than the movie screen in the front of the sanctuary. Proposals to install 3- 37 inch large screen TVs on the sides of the sanctuary have been researched and recommended. This is seen as a way to provide the screens with words on them that doesn't detract from the sanctity of the chancel area. The total cost of the project is in the neighborhood of \$4,000.00.

Pastor Richie is excited about the possibility of this new feature for use in our worship services and his Bible Studies. With the new technology available today, these screens would be operated from the back of the sanctuary, thus avoiding distractions in the front of the church. We are anxious to provide this additional choice for our congregation. We hope and pray that God will lead us in making it available. We hope and pray for your support.
